## About Us

Meenaxi Maritime LLP is a comprehensive service provider for sea trade and logistics.

We are headquartered in Gandhidham, Kutch, Gujarat and have operations in Mundra, Ahmedabad, Mumbai, Delhi, Kolkata, Chennai, Ludhiana and Jaipur. We are committed to providing integrated shipping, logistics and maritime services to our clients. We carry varied types of cargo and trade worldwide in a multitude of trade routes.

We tailor our maritime solutions to cater to our client's specific needs.

In addition, we offer comprehensive custom clearing, freight forwarding, transportation and warehousing solutions.

We have well-qualified and expert personnel that understand this industry's intricacies and work dedicatedly to provide our clients with the best services.

Meenaxi Maritime LLP follows ethical business policies and maintains the highest level of transparency. Furthermore, we ensure to comply with the laws and regulations of the land.

For us, fair business practices and trust are the basis of our relationships with our customers, and we work with the highest level of integrity and professionalism to earn our client's trust.

We delight our clients by providing them with consistent quality and cost-effective solutions. We forge mutually beneficial and long-term relationships with our clients by providing them with the most comprehensive solutions.

We endeavour to be our customers' preferred partner and continuously seek solutions that contribute to our client's competitive advantage.

We aim to offer superior customer service yet provide our clients with cost-effective solutions.

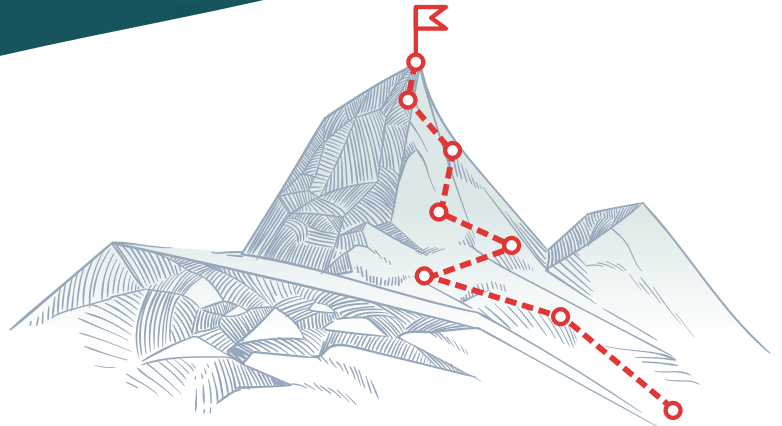

We leverage our expertise, experience, and industry knowledge to offer our clients solutions to their shipping and logistics needs. We continuously find new ways to provide effective and efficient services and meet the diverse needs of our clients.

We are also committed to communities where we live and work. Our focus is to enhance the quality of services we offer and achieve the highest levels of customer satisfaction.

We provide comprehensive shipping services at various ports and are leading custom clearing agents, freight forwarders, transporters, and warehouse operators. Moreover, we have our own fleet of specialised and general cargo trucks, trailers, cranes, road tankers, lorries, dumpers, loaders, and mobile cargo handling equipment.

We cover all major ports and make sure that the cargo reaches its destination safely and on time.

Above all, as a complete service provider, we are perfectly positioned to manage all the logistic needs while importing or exporting goods.

## Aim

We aim to build long-term and trustworthy relationships with all our stakeholders. Our goal is to expand and continually improve our services to be a strategic partner of our clients.

## Mission

We strive to be a leading shipping, logistics and maritime company by leveraging our expertise and experience in integrated shipping, logistics and maritime services to deliver solutions that cater to our customers' specific requirements

## Why Us

We are a maritime company committed to making a difference, and when you choose us, we deliver time-sensitive, cost-effective, and high valued solutions.

We at Meenaxi Maritime aim to provide our customers with efficient, reliable, and hassle-free shipping and logistics solutions. In addition, we craft our solutions as per our client's specific needs.

We deliver exceptional customer service and on-time services and aim to create additional value for our customers.

By choosing us, you gain a strategic partner with industry knowledge, experience, and capabilities to improve your bottom line.

We pride ourselves on delivering 100% customer satisfaction. Here are some of the ways we differ from others:

# Customer-Focused

Meenaxi Maritime's operations are based on its customers' needs. We understand our customer's requirements and create solutions that meet those needs. We base our decisions on the needs and wants of our customers instead of technical and sales operations. We assess our customer's needs to predict their future requirements accurately

## People

We have a highly trained and well-qualified team. We harness our expert's skills, knowledge and experience to deliver our customers innovative and cutting-edge solutions. Our team is highly motivated, professional and keeps itself abreast with the latest industry practices.

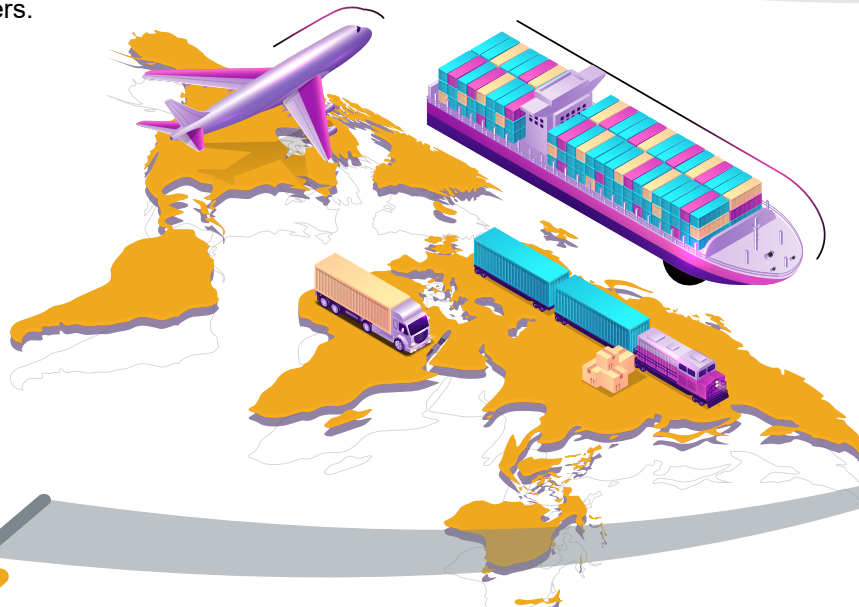

# Values

The value system and ethics are at the centre of everything we do. We are socially responsible and work with integrity, honesty, and professionalism. We comply with all laws and regulations.

# Highly Competitive Prices

Through highly competitive prices, we gain a competitive edge over other companies. We continuously strive to offer our clients high-quality solutions at the most cost-effective prices. In addition, we optimise our operations and solutions to create value for our customers.

## 24/7 Support

We offer our customers 24/7 support. Our team assists you at every step and resolve issues on an immediate basis, if any. In addition, you can contact our support staff at any time and receive assistance.

## Passion

We are passionate about our work, our people, and our customers. We are enthusiastic and committed to what we do and always strive to achieve excellence in our services.

## Proven Industry Knowledge

Our management team has proven industry knowledge and rich experience and leverages it to deliver solutions that create value for our clients. Our team stays on top of industry news, challenges, best practices and game-changing events to assess the impact on our customers and strategize accordingly. Moreover, they know their business in and out and use their experience to shape and refine our solutions.

MARITIME LLP

### **CLEARING**

We are reputed for offering world-class clearing services. We provide hassle-free custom clearing services to our customers, and our services include import clearance and export clearance services. In addition, our experts offer you guidance and consultancy on clearing services. Whether you are importing or exporting goods, non-compliance and poor documentation can result in shipping delays, penalties and retroactive assessment of duties. Our team is well-versed with custom regulations, custom systems, procedures, and the implementation of conventions so that our customers get the right solutions at the right time.

Our experts are highly experienced and understand this industry's intricacies and efficiently serve all your needs to ensure you get more value for your money.

Moreover, our competent staff handles the documentation process in a very efficient manner and personally monitors it to ensure a smoother clearance of shipments. Currently, we offer clearing services in Mundra, Ahmedabad, Mumbai, Delhi, Kolkata, Chennai, Ludhiana, and Jaipur.

### **FORWARDING**

We offer comprehensive freight forwarding services that are cost-effective. We provide outstanding freight forwarding services for importing and exporting goods. We have in-depth knowledge of every aspect of shipping and handling the transportation of goods. We take all types and sizes of commodities for freight and tailor our freight forwarding solutions according to your specific requirements. Our services also include handling container traffic, arranging containers, stuffing and de-stuffing operations, compliance of port and custom formalities, documentation process, etc. We have expertise in handling the regulations, paperwork, and procedures so that your company can save time and money. We intend to simplify world-wide logistics and facilitate trade. We provide you with the logistics to move goods from source to destination cost-effectively by leveraging volumes smartly.

We constantly monitor your shipments and keep you updated.

Our endeavour is to offer practical, secure and tailor-made solutions to our customers and ensure their goods reach their destination in any part of the world safely and on time. We leverage our network of experienced professionals, worldwide shipping connections to cater to your specific shipping needs.

# TRANSPORTATION

Our company can easily handle dry bulk cargo and liquid bulk chemicals with much ease. We own a fleet of specialised and general cargo trucks, lorries, road tankers, dumpers, trailers, mobile cargo handling equipment and carriers at cost-effective prices across many locations. We have expertise in handling heavy equipment and over-dimensional cargo and can smoothly move super loads. Our competent staff provides you with guidance and advice on route planning. We also liaise with client-appointed transporters for prompt clearance of cargo to and from the port. We offer reliable, flexible, and customised transportation solutions. We provide timely and efficient delivery of cargo at competitive rates.

Our transportation solutions include full and part containers loaded at your or our premises. Be it over-dimensional cargo, international shipment, or cargo for domestic delivery, we partner with you to provide you best transportation solutions at the most competitive prices. Meenaxi Maritime LLP works in close co-operation with its clients and assists them in selecting the best transportation options to bring down costs without compromising safety and security

# WAREHOUSING

Our comprehensive warehousing services include integrated warehousing, cold storage and handling. We have warehouses at all major ports, and our warehouses are fully equipped, secured, and well-laid to handle tons of cargo. In addition, our staff is competent and trained to handle all types of cargo. We offer customised solutions that are cost-effective and save you time and effort.

Our warehouses are strategically located near major ports and have state-of-the-art security and comprehensive inventory control systems. So, whether your warehousing requirements are long-term or transitional, we offer you the right warehousing solutions.
